

# *Donor Roll*

Generous donors like you made it possible for us to provide life-saving and life-changing health and support programs for the people we serve even amid some of the most difficult and unprecedented challenges we have ever faced. You made a difference for thousands of people.

This list of donors represents individuals and organizations that made contributions during our Fiscal Year 2024 (July 1, 2023-June 30, 2024). Gifts given after the end of our fiscal year will be recognized in our next annual report.

On behalf of all of our staff and patients, thank you.
